

# ExpressEdge

*The smart way to pre-qualify SBA loans*

**ExpressEdge** delivers more loans, faster approval, easier training, simpler qualifying, and lower costs.

**ExpressEdge** provides users with a straight-forward tool to rapidly identify viable loans. Simple laptop-oriented software unchains your sales people from their desks; sophisticated SBA expertise reduces underwriters' workload; automatic compliance letter generation simplifies regulatory overhead.

**ExpressEdge** reduces training time from weeks to hours by combining Excel worksheets with expert knowledge of the SBA process and compliance. Users simply fill in answers to intuitive questions and are guided through the process by direct instructions.

Quick to learn, easy to use, **ExpressEdge** gives your most valuable resource – your staff – what they need most: **more time**.
